

Music Around the World

A MUSICAL PERFORMANCE

of Grades K-5

Wednesday, May 1, 2019

1:30pm

Budlong Elementary Auditorium

Parents and families are invited to join us for a musical performance of all students in grades K-5. Students will be singing and playing songs from different countries and cultures around the world, assisted by professional musicians from ChiME.

We ask that students please **dress nicely or wear their culture's clothing** for the occasion and bring their best singing voices.

We look forward to sharing our music with you!
