

Come join the new BULLDOG BEATS!

6th - 8th Grade Show Choir

Every Wednesday and Friday

3:15pm – 4:45pm

You will sing, learn choreography, learn to read music, write your own songs, help design a logo, perform and so much more!

You will have a ton of fun!

The Bulldog Beats will start **Wednesday, September 20, 2017**. It will be led by Mr. Aaron Thacker from the Chicago Center for Music Education (ChiME). ChiME provides weekly music instruction for Budlong students in grades K-5 and is now expanding instruction to grades 6-8 in this after-school program.

ChiME will have an open house for parents and students on **Wednesday, September 13 and Friday, September 15 from 3:15pm-4:45pm**. Meet us in the Budlong Auditorium to learn more details about the program, including its expectations, rewards, curriculum, and opportunities that the Bulldog Beats will offer!

ChiME provides an exceptional music education to a diverse community as a path for social, emotional, and character development.
