Dear Budlong Families,

Congratulations on another strong year! From our eighth grade commencement ceremony to Budlong Meets Broadway to visiting the state's capital, let us celebrate the accomplishments of our students. 2018-19 gave us memories that will make us smile for years to come.

Thank you to all of our parent groups and parent volunteers. Your help and input is greatly appreciated. We cannot do all we do for our students without you! Our LSC, BAC, PAC, and Friends of Budlong continue to be very supportive of our staff and students. Friends of Budlong will meet over the summer to start planning for the 2019-20 school year and a Back-2-School Picnic, so be sure to keep an eye out for e-announcements. I encourage you to attend and meet current and prospective families.

We are happy to announce that our Aftercare Program will be extended to include PK to fifth grade students, and until 6:15 p.m. Enrollment for this will start during registrations in August. Registration is also the time to go through the [volunteer process](#). Should you sign up, you will be able to do the fingerprinting and TB testing here at Budlong on August 19th.

Please do see the information on the reverse side regarding registration. All current Budlong students need to register each August. Have a safe and healthy summer. Laugh a lot, and spend time with your friends and family; be #budlongbeautiful. I look forward to seeing everyone in the fall!

Best,

Naomi Nakayama
