

GIRL SCOUTS

Are you a K-G8 girl who doesn't have access or time for a weekly troop meeting, but you love Girl Scouts, cookie sales, and the great outdoors? Join Service Unit 290 as a "Juliette" or independent Girl Scout¹ for the any of the following events. We aim to plan period events that can be attended on an ad-hoc basis to better fit busy schedules. These are not drop-off events, but individual arrangements can be coordinated between families to rotate chaperones.

- Jan-Feb 2019 - Cookie sales with your troop or at-large
- 2/9/2019 Chilly Fest @ Emily Oaks <https://www.skokieparks.org/special-events> - tickets on your own
- Mar 2019 Maple Syrup Fest @ North Park Village Nature Center Park (TBD)
- 4/28/2019 Earth Day @ Emily Oaks <https://www.skokieparks.org/special-events>
- 5/11/2019 River Clean Up Day, about 9am-noon
- 6/14-16/2019 (Father's Day weekend) family camping @ IN Dunes in tents, we cook our own food together over an open fire. Bring your own gear. Loaner tents may be available. Parent planning meeting required before trip.
- 7/13/2019 - Canoe with Friends of the Chicago River, launch from River Park west dock, \$55 per paddler cost can be defrayed with at-large cookie sales money

It's always better with more volunteers²! With a little help, we may be able to add badges³ and better fundraise (such as at-large cookie sales) to defray out-of-pocket event costs. Contact sharonwaller@u.northwestern.edu (Budlong Grade 1 mom) if you're interested in joining us or volunteering.
