The Pasta Bowl is proud to be #withbudlong. To show our support, we're giving back 20% of sales to Budlong families and friends on 5/16. Dine in, pickup, or delivery. -- your choice. All you have to do is mention Budlong when you place your order. Pro tip... try the Farfalle Pollo, it's our absolute most popular dish. And the kids will love the rainbow spaghetti. See you soon!

#withbudlong Giveback Day

Thursday 5/16

11a-10p

We don't like fine print so we made this 14pt. The only restrictions are that you have to mention Budlong before you pay, so we can keep track of what we owe you guys. And if you're ordering online for delivery or carryout you have to use our website, not one of the other compaines like GrubHub or Uber. P.S.: Thursdays are \$20 wine bottles, and yes, those are included in the giveback deal! Yw.
