

## Budlong Sporting Event Guidelines & Spectator Rules

Budlong Elementary enjoys a tradition of athletic participation and also enjoys a reputation of good sportsmanship, fair play, and proper behavior when acting as the host school at home games.

The following procedures are designed for students and adult spectators so that everyone may better enjoy the games. Your support and help are greatly appreciated:

- Students in grades K-5 must be accompanied by an adult.
- Students in attendance are considered spectators. They are to be seated in the bleachers, or standing in designated areas and remain there for the duration of the games.
- NO food or drink of any kind will be permitted in any area.
- Students may not leave the school building during any game. Once a student has left the building, they may not return.
- Spectators may not stand in doorways, halls, or any other traffic areas. These areas need to be kept open as fire exit routes.
- Athletic contests home and away are extension of the classroom. Therefore all school rules are in effect!
- All spectators should plan to be picked up by no later than 5:30 P.M on days when there are 2 home games.
- NO loitering out around the building once the game is over, must go home after games.
